

Synel's Activities in China

During the month of May Synel conducted numerous activities in China, all of which were intended for increasing awareness and exposure to Synel's presence and solutions:

1. A seminar in Beijing, which was intended for exposing Synel's solutions to a large number of engineering and consultation companies, increase awareness to Synel's presence in China and act as a platform for creating new business contacts.

2. Participation with the local distributor in the Beijing Security Exhibition

3. Participation with the local distributor in the Shanghai Security Exhibition
